

resident, staff, and family update

November 8, 2023

OUTBREAK ALL CLEAR

Dear Martha's House families, residents, and staff,

We are pleased to let you know that the COVID outbreak at Martha's House has been lifted. All restrictions have been removed. Most of the individuals who tested positive are doing well and have made a full recovery. We continue to pray for continued recovery for the one individual currently still in hospital.

We will continue to monitor the health of everyone closely, particularly through the winter months. Currently influenza cases are increasing in Southern Alberta, while COVID cases are declining.

Keeping our residents, staff, and families healthy and safe is our first priority. We kindly ask if you have symptoms of any kind to please refrain from visiting.

Thank you for your patience, understanding, and support.

As always, you are welcome to contact me at 403-327-2090 or email karen.r.larson@covenantliving.ca with questions or suggestions.
