WHO IS COVENANT CARE?

Covenant Care, a non-profit partner in Alberta's integrated health system, was established to respond to the growing need for seniors' services in Alberta. We are committed to innovative approaches that support seniors in a caring community where they can thrive.

Rooted in a 150-year legacy of Catholic health care in the province, we offer an enriching place to live and work, respecting dignity and individual choice encouraging a spirit of creativity and hope and nurturing each person's potential - body, mind and soul.

HISTORY

Foyer Lacombe was originally constructed as a care home for priests. Our beds are located in a newer wing of the building that also houses an independent living program operated by the Missionary Oblates.

WHAT'S IS CONTINUING CARE?

Continuing care includes long-term care facilities like Foyer Lacombe and auxiliary hospitals. Care and accommodation services are provided for people with complex health needs who are unable to remain at home or in a supportive living setting. Health care services are publicly funded and are based on AHS care plans and include care, medications, medicalsurgical supplies and medically necessary transportation.

WHAT IS HOSPICE CARE?

Hospice care provides health care and other services to residents who are near the end of their lives. Its purpose is not to hasten or prolong death but to enhance the quality of the resident's remaining life by providing peace and comfort.

LIVING AT FOYER LACOMBE

Alberta Health Services (AHS) Transition Services coordinates Foyer Lacombe admissions. Your loved one can list Foyer Lacombe as his or her preferred location and AHS will assess him or her for eligibility.
