## COVID-19 Update Confirmed Outbreak

Dear residents, families, and staff,

The Medical Officer of Health's office declared an outbreak at Martha's House today. Three residents have tested positive for COVID. Eighteen total residents are currently on isolation. Multiple resident swab results are pending; there are no confirmed case among staff. Residents who tested positive are isolating.

As preventative measures to reduce risk of transmission we are temporarily halting all recreational activities, ensuring staff are cohorted by department, and asking that visitation be minimized for the time being. Visitors who do come to Martha's House must follow the guidelines that are already in place including providing proof of vaccination or a negative COVID test and masking continuously in common areas.

Please be extra careful in the coming days to stay safe. You are welcome to direct questions to Joyce Turner, Site Manager, by phone at 403-327-2090 or email [admin@covenantliving.ca](mailto:admin@covenantliving.ca).
