### *The Man Who Invented Christmas*

In 1843 London, author Charles Dickens finds himself in financial trouble after writing three unsuccessful novels in a row. Desperate for a hit, Dickens relies on real-life inspiration and his vivid imagination to bring Ebenezer Scrooge, Tiny Tim and other classic characters to life in "A Christmas Carol," forever changing the holiday season into the celebration known today.

### *Elf*

Buddy (Will Ferrell) was accidentally transported to the North Pole as a toddler and raised to adulthood among Santa's elves. Unable to shake the feeling that he doesn't fit in, the adult Buddy travels to New York, in full elf uniform, in search of his real father. As it happens, this is Walter Hobbs (James Caan), a cynical businessman. After a DNA test proves this, Walter reluctantly attempts to start a relationship with the childlike Buddy with increasingly chaotic results.

### *The Last Holiday*

The discovery that she has a terminal illness prompts introverted saleswoman Georgia Byrd (Queen Latifah) to reflect on what she realizes has been an overly cautious life. So Georgia withdraws her life savings and jets off to Europe where she lives like a millionaire. Upbeat and passionate, Georgia charms everybody she meets, including renowned Chef Didier (Gérard Depardieu). The only one missing from her new life is her longtime crush Sean Matthews (LL Cool J).

### *How the Grinch Stole Christmas*

In this live-action adaptation of the beloved children's tale by Dr. Seuss, the reclusive green Grinch (Jim Carrey) decides to ruin Christmas for the cheery citizens of Whoville. Reluctantly joined by his hapless dog, Max, the Grinch comes down from his Mountain top home and sneaks into town to swipe everything holiday-related from the Whos. However, the bitter grump finds a hitch in his plans when he encounters the endearing Cindy Lou Who (Taylor Momsen).
