

Resident, Staff, and Family Update

January 16, 2023

OUTBREAK ALL CLEAR

Dear Martha's House families, residents, and staff,

We are pleased to let you know that the COVID outbreak at Martha's House has been lifted. We had 11 residents and 2 staff test positive during the outbreak. We were all saddened that one resident passed away last week due to COVID complications. Gratefully, all others affected have fully recovered.

We will continue to monitor everyone closely and all residents are reminded to report symptoms that may develop including but not limited to new or worsening cough, runny nose, nasal congestion, fever, and unusual fatigue. We will return to our regular continental breakfast buffet on Tuesday, January 17, 2023 and we will return to the use of linens at lunch and supper today. All activities will resume, as the schedule permits. Thank you for your patience, understanding, and support during this time.

As always, you are welcome to contact Karen Larson Site Administrator, at 403-327-2090 or email karen.r.larson@covenantliving.ca with questions or suggestions.
