

# Resident, Staff, and Family Update

April 26, 2022

## OUTBREAK ALL CLEAR

Dear Martha's House families, residents, and staff,

**We are pleased to let you know that the COVID outbreak at Martha's House has been lifted.** The individuals who tested positive are doing well and have made a full recovery.

We will continue to monitor everyone closely and all residents are reminded to report symptoms that may develop including but not limited to new or worsening cough, runny nose, nasal congestion, fever, unusual fatigue. We will return to our regular continental breakfast buffet on Wednesday, April 27, 2022 and we will return to the use of linens at supper sometime this week. All activities will resume, as the schedule will permit. Thank you for your patience, understanding, and support.

## FOURTH DOSE COVID CLINIC

Public Health will be at Martha's House on Tuesday, May 3, 2022 at 1:00pm until 4:00pm to run the 4<sup>th</sup> dose COVID immunization clinic for our residents. There will be an immunization form available at the front desk for you to complete the demographic information prior to the start of the clinic.

As always, you are welcome to contact Karen Larson, Site Administrator, at 403-327-2090 or email [karen.r.larson@covenantliving.ca](mailto:karen.r.larson@covenantliving.ca) with questions or suggestions.
