

MARTHA'S COMMUNITY CORNER

JUNE 2026

A Message from your Site Manager

Dear Residents.

"I wonder what it would be like to live in a world where it was always June."

I have always loved this quote from L.M. Montgomery's *Anne of Green Gables*. The entire series is one of my absolute favorites and I will go back and re-read the books from time to time.

June is truly one of my favorite months of the year...the days are longer, the sun is warmer (but not too hot), school is winding down, and I start looking forward to summer vacation with my boys, and the gardens are really starting to come into their own. I love to see the progression of the gardens throughout the month from the late blooming tulips to the bleeding hearts, and then on to the iris', then peonies and roses.

I hope that each of you will take the opportunity this month to enjoy the warmer, sunnier weather and get outside to get some much needed fresh air and vitamin D.

Enjoy the month!

Karen

Words from the Book Nook!

Just a reminder that there are lots of interesting books on the T.V room bookshelves. Also, by the front office there are coffee table books that are to take and read or read in T.V room.

Backside of shelves are a collection of Readers Digest 3 books in one. Oldies but still great reading.

Thanks for not dumping piles of books in the donation box. 1 or 2 are fine

FYI: summer is a great time to sit outside and read!

Thank you & Happy Reading. 😊

Reminder: Please return books to the library when you have finished reading them. Also, if you are looking for "New to us", books, look for the small white rectangle on the spine of the book.
